Re: Dissemination of Audio Recording of Motion Hearing in
SCO Group v. AutoZone, case CV-S-04-0237-RCJ

Dear Mr. Wilson:

On July 13, I obtained from your office an audio recording of the July 12 motion hearing in case CV-S-04-0237-RCJ, SCO Group v. AutoZone.

Since then, I have made the recording freely available on the internet. I do not believe there is anything improper about this, but I have now heard it rumored that some court employees believe otherwise.

Please let me know if your office asserts that I am infringing its copyright, or asserts that I must desist for any other reason.

Yours truly,

Alan P Petrofsky
