REPLY TO ORDER TO  
SHOW CAUSE

Case No. 2:06CV876 TC

**Judge: Campbell**

-----000000000-----

COMES Plaintiff GMG Capital Partners, LP ("GMG"), by and through its undersigned attorney and does hereby responde to the Court's Order to Show Cause requesting that Plaintiff demonstrate the existence of diversity jurisdiction.

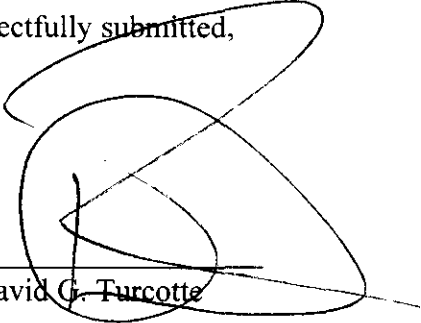

With this reply, Plaintiff has caused to be filed an Amended Complaint which corrects the errors as to the state residency as to the Plaintiff and Defendant Steve Norris.

Plaintiff GMG does not possess a physical office location in the State of Utah and has not domiciled itself in Utah. Its domicile and principal place of business is in the State of New York as set forth in the Amended Complaint. The Utah address was provided in error and represents the location of one of GMG's portfolio companies, not its address. As to Defendant Stephen Norris Plaintiffs have learned that his true residence address is in West Palm Beach, Florida. That error has been corrected as well.

With these corrections as set forth in the Amended Complaint, true diversity jurisdiction exists as do the other requirements necessary to continue before this Court. Plaintiff respectfully requests that the Court accept its Amended Complaint and allow this matter to proceed.

Dated this 9<sup>th</sup> day of November, 2006.

Respectfully submitted,

By:
