Plaintiff Jeffrey Vernon Merkey respectfully serves notice of an order filed in United States District Court placing the Novell/TRG Settlement Agreement under Seal of the Court which is attached at Exhibit 1. It has come to our attention that various

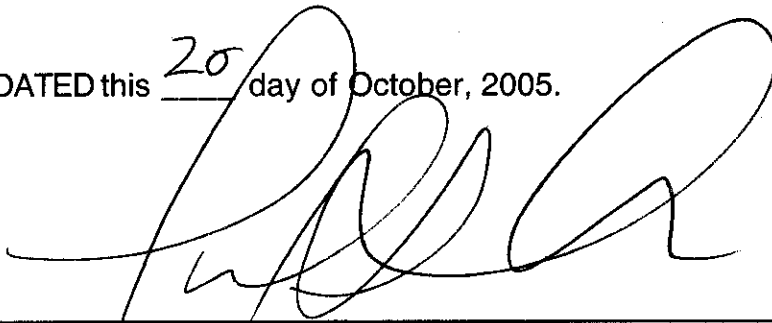

individuals on the Internet have posted the terms and excerpts from this sealed document to your website, Wikipedia.com. These materials are strewn throughout the page Jeffrey\_Vernon\_Merkey and the history and talk pages for this article on your website. It appears that Alan P. Petrofsky has been using your site in concert with one of your administrators, Frank V. Waveren, a member of the Linux Community residing on the Netherlands to post and distribute these materials.

You are served with Notice that these materials are confidential and are subject to an order sealing their contents by the United States District Court. You are respectfully requested to remove such materials immediately from your site. Please feel free to contact me directly at 801-427-3547 for information detailing the specific pages contained on your site which contain these materials.

We thank you in advance for your prompt attention in this matter.

Respectfully Submitted,

DATED this 20 day of October, 2005.

Plaintiff filed a Verified Complaint in this matter on June 21, 2005, including a confidential settlement agreement as Exhibit 2 to the Verified Complaint. Plaintiff notified the court that he intended to file this exhibit under seal. However, because it was not filed according to the court's rules regarding sealed documents, the exhibit was scanned into the court's public electronic docket. Pursuant to paragraph 6 of the settlement agreement, the parties agreed that the settlement agreement was confidential. Therefore, the court hereby seals Exhibit 2 of the Verified Complaint in this matter and directs the Clerk of Court to remove the exhibit from the court's electronic docket.

DATED this 22<sup>nd</sup> day of June, 2005.
