Honorable Dale A. Kimball

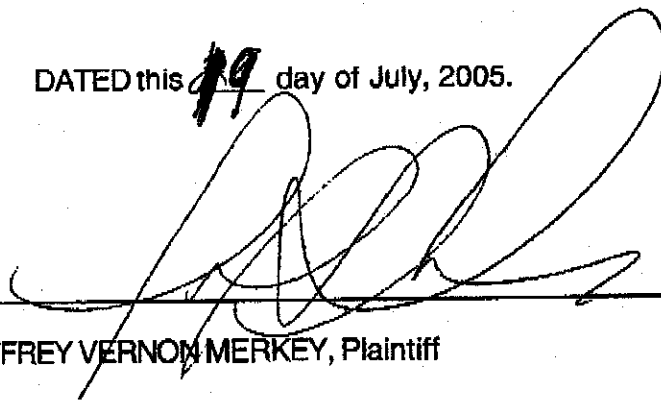

Defendants.

Pursuant to Federal Rule of Civil Procedure 26, 37, and 45 Respondent Jeffrey Vernon Merkey respectfully submits this Ex-Parte Motion for Leave to conduct Expedited Discovery for the purpose of identifying and locating the named parties for service of this action. As the majority of the named defendants are anonymous accounts and Internet websites, and since the defendants are evading service in this matter, and are actively violating orders relative to the sealing of documents filed in this matter,

expedited discovery is necessary to verify the identities of the parties, and locate their physical addresses for the purposes of performing service of process and enjoining their tortious conduct.

The accompanying Memorandum of Points and Authorities in support of this motion is attached which more clearly states the issues pertinent to this request.

DATED this 19 day of July, 2005.
